SAFETY TRAINING

I, _____, have participated in and completed the required safety and regulatory training for temporary, contingent & off-cycle new-hire employees¹. This training includes:

- ▶ Modules found online @ www.myriad.com/regnewhire
 - HIPAA Training [NEP12]
 - Signed the Confidentiality Agreement (*from online module above*) [REG40]
 - “Safety In A Second” Training [NEP83]
- ▶ Initial Fire Drill (*to be facilitated by trainer or supervisor*) [NEP20]

Since starting, I have also had the opportunity to ask questions. I understand that (1) I will be required to attend the full safety training through the new employee orientation program at its **next available session**, and (2) that if I have any additional questions I am free to contact my supervisor, the Regulatory QA Training Coordinator or any member of Regulatory QA. Additionally, safety questions may also be directed to safety@myriad.com and HIPAA/compliance questions may also be sent to compliance@myriad.com.
